ONDERWERP

EINDHOVEN, August 31st 1954.

TO WHOM IT MAY CONCERN :

This is to certify that

Mr. JOHAN van LEER, born July 7th 1927,

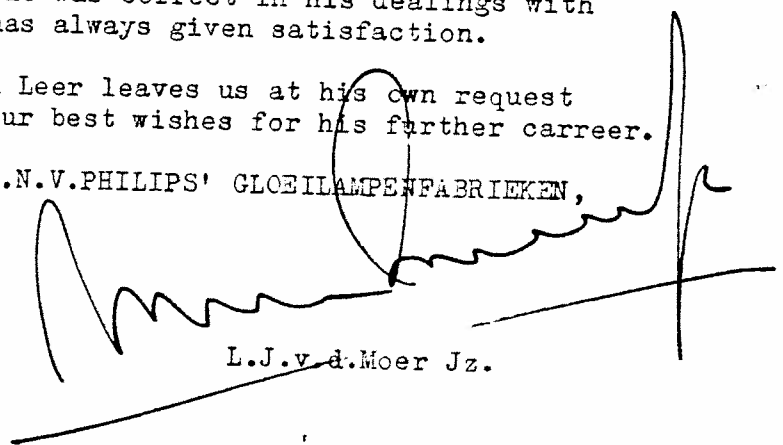

has been in our service from September 16th 1949 up to August 31st 1954.

Mr. van Leer worked as an assistant in the Apparatus-Laboratory and occupied himself mainly with the electrical and mechanical designing of pick-ups, etc.

Mr. van Leer has proved himself to be a good and reliable worker. He was correct in his dealings with others and his work has always given satisfaction.

Mr. van Leer leaves us at his own request to emigrate. He has our best wishes for his further career.
