RE: Shure Bros. v. Pickering & Co.

Dear Johan:

Pickering and Shure Brothers have arrived at an equitable settlement of the above suit and accordingly the case has been disposed of without a trial.

Under the circumstances, your deposition has been placed on file as a permanent court record, but it shall not be necessary for you to testify further in this matter.

We greatly appreciate your interest and determination to see that justice be done.

I have obtained the physical models of your stylies and your papers from Messrs. Gordon & Sullivan and will return them to you in person.

Upon your return from Europe, I suggest that you telephone me and we can arrange an appropriate time for you to call at this office. Perhaps we can have dinner together that evening.

I enjoyed your card from Holland and trust that you are having a most enjoyable visit.

With kindest regards, I remain

Very truly yours,

Anthony Chiara
